Section 11: This Order shall constitute the order for the calling of the Election and shall also constitute notice of the Election. The Election Agent is hereby authorized and directed to cause notice of the Election to be given by posting copies of this Order at the public places used for the posting of meeting notices of the District, including but not limited to the public place within the District designated by the Board for the posting of meeting notices of the District, and at two other public places within the boundaries of the District, with said postings to be completed not later than twenty-one (21) days before Election Day (unless said day is a Saturday, Sunday or official state holiday and in which case it shall be posted on the next regular business day). Additionally, the Election Agent is hereby authorized and directed to cause this Order to be posted in a prominent location at each polling place on Election Day and during early voting by personal appearance. In all such instances, copies of this Order shall be posted in the English and Spanish languages.

Section 12: (a) The Election shall be held and conducted and returns made to this Board in accordance with the constitution and the laws of the State of Texas, including but not limited to, applicable provisions of the Act, the Texas Election Code and the Texas Water Code.

(b) With regard to the bonds to be authorized at the Election, the following statements are made solely to comply with the requirements of Section 3.009(b), Texas Election Code:

- (1) The proposition language that will appear on the ballot is set forth under Section 10 hereof.
- (2) The purposes for which the bonds are to be authorized are described, respectively, in Propositions B through G under Section 3 hereof.
- (3) The maximum aggregate original principal amounts of bonds to be authorized are described, respectively, in Propositions B through G under Section 3 hereof.
- (4) Should the issuance of the bonds described in Propositions B through G under Section 3 hereof be authorized, the Board of the Directors shall be authorized to issue such bonds and to levy a sufficient tax, without limit as to rate or amount, upon all taxable property within the District to provide for the payment of the principal of and the interest on such bonds.
- (5) Should the issuance of the bonds described in Propositions B through G under Section 3 hereof be authorized, it is estimated that, based on the market conditions as of the date hereof, the District will assess, levy and collect a total annual debt service tax of \$1.50 on each \$100 valuation of all taxable property within the District to provide for the payment of the principal of and the interest on such bonds.

As used hereinabove, the term "market conditions" takes into consideration a number of factors which are not subject to the reasonable control of the District, including, by way of example and without limitation, the capital improvement needs of the District and the costs of such improvements, the development of property within the District, the valuation of taxable property within the District, the prevailing demographic and housing market conditions affecting the District, the prevailing economic conditions affecting the District, the market conditions affecting the sale of such bonds, and the economic feasibility rules of the Commission promulgated under Section 293.59 of Title 30, Texas Administrative

Code. Accordingly, the District cannot and does not make any representation, warranty or guarantee herein that such market conditions will continue unchanged after the date hereof, or exist as of the date of the actual issuance of any of such bonds.

The estimate made in the first paragraph of this subsection (b)(5) is provided for illustrative purposes solely in response to Section 3.009(b)(5), Texas Election Code. Such estimate should not be construed to create a contract with the voters relative to the terms upon which the bonds to be authorized hereunder may be issued or the tax rate that may be levied in payment of such bonds, or to otherwise limit, amend or modify the express language of Propositions B through G under Section 3 hereof. Should the issuance of the bonds described in Propositions B through G under Section 3 hereof be authorized, the schedule for the issuance of such bonds, the terms upon which such bonds shall be issued, and the rate of the debt service tax levied to provide for the payment of the principal of and the interest on any of such bonds shall be determined by the Board, in accordance with said Propositions and as now or hereafter authorized by the constitution and the laws of the State of Texas. Accordingly, the District cannot and does not make any representation, warranty or guarantee as to a particular debt service tax rate that will be levied to provide for the payment of the principal of and the interest on any of such bonds.

- (6) The maximum maturity date of any issuance of the bonds to be authorized is described, respectively, in Propositions B through G under Section 3 hereof.
- (7) The aggregate amount of the outstanding principal of the District's public securities, as defined by Section 1201.002, Texas Government Code, was \$-0- as of the date hereof.

- (8) The aggregate amount of the outstanding interest on the District's public securities was \$-0- as of the date hereof.
- (9) As of the date hereof, the ad valorem debt service tax rate of the District is \$-0- per \$100 valuation of taxable property.
- (c) The Board officially finds, determines and declares that, as of the date hereof, there are fewer than two hundred and fifty (250) registered voters within the District, and therefore, no voter information document must be prepared under Section 1251.052(b), Texas Government Code.

Section 13: The Board officially finds, determines and declares that this Order was reviewed, considered and adopted at a meeting of the Board beginning at 11:15 a.m., Houston, Texas time on January 30, 2020, and that a sufficient written notice of the date, hour, place and subject of this meeting was posted at the District's administrative office and at a place readily accessible and convenient to the public within the District, and was timely furnished to the County Clerk of Montgomery County, Texas, for posting on a bulletin board located at a place convenient to the public in the Montgomery County Courthouse for the time prescribed by law preceding this meeting, as required by the Open Meetings Law, Chapter 551, Texas Government Code, and Section 49.063, Texas Water Code, and that this meeting has been open to the public, as required by law, at all times during which this Order and the subject matter hereof has been discussed, considered and acted upon. The Board further ratifies, approves and confirms such written notice and the contents and posting thereof.

Section 14: The Board hereby reserves the right to amend or supplement this Order as deemed necessary and appropriate. The Board further reserves the right to cancel the Election or remove one or more of the aforesaid Propositions from the ballot in accordance with Section 49.112, Texas Water Code.

Section 15: Unless expressly provided otherwise, all references herein to the constitution of the State of Texas, the Act, Texas Election Code, Texas Water Code, or any other special or

general laws of the State of Texas shall mean and refer to the constitution or such laws as amended and in effect as of the date this Order is passed and adopted.

Section 16: The President or Vice-President and Secretary or Assistant Secretary of the Board and the Election Agent are each hereby authorized and directed to take any action necessary to carry out the provisions of this Order.
