NOTICE IS HEREBY GIVEN that the City of Houston, Texas, will conduct a General and Special Election (the "Election") as described herein, on Tuesday, November 7, 2023, between the hours of 7 a.m. and 7 p.m., at which there will be elected the following officers of the City of Houston:

**Mayor
Council Member, District A
Council Member, District B
Council Member, District C
Council Member, District D
Council Member, District E
Council Member, District F
Council Member, District G
Council Member, District H
Council Member, District I
Council Member, District J
Council Member, District K
Council Member, At-Large Position 1
Council Member, At-Large Position 2
Council Member, At-Large Position 3
Council Member, At-Large Position 4
Council Member, At-Large Position 5
City Controller**

The Election will also submit to the qualified voters of the City of Houston 1) a proposition to amend Article VII, Section 3 of the City Charter to enable three or more Council Members to place an item on a regular City Council meeting agenda, and 2) a proposition to amend Article IX of the City Charter to allow the City of Houston to remain in a Council of Governments or Metropolitan Planning Organization only if voters on the governing board are apportioned proportionately on the basis of population.

Proposed Charter Amendment and Ballot Language. In the Election, the qualified voters of the City shall decide whether to amend the Houston Charter by voting "For" or "Against" for the following proposed Charter amendments:

PROPOSITION A

Article VII, Section 3 of the City Charter of the City of Houston shall be amended to read as follows:

Section 3. Meetings.

At eleven o'clock A.M. on the day the members of the City Council take office, they shall meet at the City Hall and thereafter all meetings of the Council shall be held in the City Hall at such times as may be prescribed by ordinance or resolution; but not less than one regular meeting shall be held each week unless postponed for valid reasons, to be spread on the minutes. Special meetings shall be called by the City Secretary upon the written request of the Mayor or three Council Members. Three or more City Council Members may also request, in writing, that any lawful item(s), as specified in such request, be placed on the agenda of any designated, regular meeting of City Council, consistent with the notice requirements of the Texas Open Meetings Act. The Mayor shall ensure that such item(s) be placed on the agenda of the designated meeting, and shall continue to place the item(s) on the agenda of each subsequent regular meeting until the same shall be considered by City Council. Unless a request for an item(s) to be placed on the agenda of a City Council meeting specifies otherwise, it shall be treated as a request for the item(s) to be considered at a regular, as opposed to special meeting."

Ballot Language for Charter Amendment Proposition A

City of Houston, Proposition A

Shall the City Charter of the City of Houston be amended to enable three or more Council Members, by written request, to have item(s) placed on the agenda of a regular City Council meeting and to have such item(s) considered by Council?

Estimate of Anticipated Fiscal Impact of Charter Amendment. Proposition A, if approved, would have the following fiscal impact:

The fiscal impact of allowing Council Members to place items on the agenda, in and of itself, would be negligible. However, the ultimate fiscal impact of Proposition A is unknown at this time as that is dependent on the number of items placed on agenda and/or the dollar amount per item.

PROPOSITION B

Section 25 shall be added to Article IX of the City Charter of the City of Houston to read as follows:

“Section 25. Membership in a Council of Government or Metropolitan Planning Organization.”

- (a) The City may accept or maintain membership in a Council of Government or Metropolitan Planning Organization only if votes on the governing board are apportioned proportionally on the basis of population notwithstanding statutory voting members. However, members representing local governments shall have at least 90% of total votes.
- (b) In the event that a Council of Government or Metropolitan Planning Organization does not comply with section (a) the City shall withdraw its membership from the body if the voting system is not corrected within 60 days of the effective date of adoption of this section.”

Ballot Language for Charter Amendment Proposition B

City of Houston, Proposition B

Shall the City Charter of the City of Houston be amended: to require that membership by the City of Houston in a Council of Government or Metropolitan Planning Organization shall be contingent on the votes of the governing board for such council or organization being apportioned proportionately on the basis of population, notwithstanding statutory voting members, and that members representing local governments shall have at least 90 percent of the total votes; and to require the City of Houston to withdraw its membership from any non-compliant Council of Government or Metropolitan Planning Organization if the voting system is not corrected within 60 days of the effective date of adoption of the Charter provision?

Estimate of Anticipated Fiscal Impact of Charter Amendment. Proposition B, if approved, would have the following fiscal impact:

The fiscal impact of Proposition B is unknown at this time. Over the past five years the City of Houston has received services or funding commitments through Houston-Galveston Area Council (“H-GAC”) in excess of \$300 million. The City’s participation in the H-GAC could change in response to Proposition B, which could result in a range of fiscal outcomes for the City ranging from a loss of existing and future funding commitments to greater funding allocations. The costs and potential revenues associated with establishment of a separate Regional Planning Commission or Metropolitan Planning Organization are unknown, and would depend on the actions of other local and state elected officials.

Early Voting by Personal Appearance. Early voting by personal appearance shall be held at the locations and during the periods as set forth below in Exhibit “A”, attached hereto and made a part of this Notice for all purposes, subject to such changes as may be necessary.

Election Precincts and Polling Places. The Election will be held within the precincts and polling places for the Election as established and designated by City ordinance and as set forth in Exhibit "B," attached hereto and made a part of this Notice for all purposes, subject to such changes as may be necessary. The polling places will be open from 7:00 a.m. to 7:00 p.m. on November 7, 2023.
