**Debt Service and Tax Rate Information.** Per Texas Election Code section 3.009: As of July 1, 2022, the first day of the City's current fiscal year, the aggregate principal amount outstanding of tax-supported debt of the City was \$3,336,795,000 and the aggregate amount of outstanding interest on such tax-supported debt was \$1,437,795,054. The City's ad valorem debt service tax rate as of the date of Ordinance No. 2022-626, enacted on August 17, 2022, ordering the election, is \$0.148359 per \$100 of assessed valuation of taxable property in the City. The City intends to issue the bonds authorized by the Propositions over a period of years in a manner and in accordance with a schedule to be determined by the City Council based upon a number of factors, including, but not limited to, the then current needs of the City, demographic changes, prevailing market conditions, assessed valuations in the City and management of the City's short-term and long-term interest rate exposure. Market conditions, demographics and assessed valuations vary based upon a number of factors beyond the City's control, and the use of variable rate debt involves periodic adjustments in interest rates that vary based on market conditions and contractual obligations. Therefore, the City cannot and does not guarantee a particular interest rate or tax rate associated with the bonds authorized by the Propositions. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. The estimate of the maximum interest rate expressed below is based on the blended effective interest rate (taking into account the impact of issue price premium) for a series of bonds. The City currently estimates that, if the Propositions are approved and all of the bonds proposed herein are authorized and issued in accordance with the City's current project plan of finance, the maximum interest rate for a series of bonds is not expected to exceed 5.25%.
